## **Broad Street Mall**

The Broad Street Mall is a Saturday street market to showcase entrepreneurs. The market closes Broad Street from Prince William Henry junction to Middle Street junction.

The current format requires a complete street closure to vehicular traffic and alternate arrangements have been made for Fire Service access if necessary.

As Broad Street is the major west to east city route, it's closure requires diversion of traffic to Prince William Henry Street and from there to Whitepark Road.

This event is generally scheduled to run from 9am to 6pm and requires a closure from 5am to 9pm for set up and removal.

## **Routed Public Service Vehicles**

Public Service Vehicles which include President Kennedy Drive on their routes must now all leave Princess Alice/Cheapside Terminals via Lakes Folly and return to the Princess Alice/Cheapside Terminal via Baxters Road/Tudor Street/Chapel Street.

Police Officers will also be deployed on the day, to assist with all traffic management.
